Covid Updates

We are very excited to welcome all students back for in-person instruction starting on Thursday, June 4. Everything will go back to exactly how it was before moving to online learning. Masks will need to be worn by all with physical distancing and hand sanitizing remaining a priority. Please remember that our pick up and drop off points are near the orange barriers, for the front of the school, or the gate into the playground, at the back of the school. Unfortunately, we are still not able to welcome our families into our school. If you have a question about our pick up/drop off procedures please call our admin assistant, Mrs. Butler, who will walk you through our routine.

Report Cards

Due to the current Covid restrictions, we will continue with emailing 3rd term report cards home to parents on June 30th. Please let your child's classroom teacher know if your email has changed so that we can update our system.

Supply Lists

We will be posting the supply lists on our school's website on June 30th.

2021-2022 HRCE Calendar

The overall 2021-22 HRCE calendar will be available on the HRCE website very soon. Please look at <http://www.hrsb.ca/about-our-schools/calendars> for all of the dates affecting our school.

2021-2020 Bussing Schedules

Please check BUSPLANNER over the summer for the latest bussing information, <https://hrce.mybusplanner.ca/>

Home Reading

Please remember to keep reading all summer. We want the gains made by our students to keep rolling along. It is important for our students to maintain routines and continue to emphasize literacy as a life skill.

2021-2022 Class Assignments

Please be reminded that the process our teachers undertake, when deciding which class a student should be going into, is very in-depth and considerate of many, many factors. Ensuring we place each student in a situation which will allow them to be their most successful is our primary goal. The teacher, your child will be with in September, will be included on your child's report card. Requests for class changes will not be accepted.

If Not Returning To BLT Sr. For September 2021

If your child will not be attending BLT Sr. as a grade 2, 3, 4 or 5 student please notify our office as this greatly impacts our class composition considerations.

Cafeteria Service

Our food service provider will be offering their service starting next week. If interested please have a look at what is offered. Instructions are attached.
